

Web Portal User Manual

When you enter the web portal, you will see the home screen like the image below.

The description of the five steps mentioned in the figure is given below-

STEP-1:

You can return to the first page from any other page by clicking the “Home” button.

STEP-2:

Clicking on the “Registration” button will open the page like the image below-

The screenshot shows the 'Vaccine Registration BD' website. The header includes links: Home, Registration, Registration Status, Vaccine card, Vaccine Certificate, and Manual. The main form on the left contains a dropdown menu labeled 'Select Your Type', followed by input fields for 'Your NID No', 'mm/dd/yyyy' (with a calendar icon), 'Your Email ID', 'Password', and 'Confirm Password'. A green 'Register' button is at the bottom of the form. To the right of the form is a large image of a hand in a blue glove holding a small glass vial labeled 'COVID-19 VACCINE' with a barcode.

Fill in the fields shown in the picture and press the “Register” button.
After pressing the register button a new page will open which looks like the image below-

The screenshot shows the verification page of the 'Vaccine Registration BD' website. The header is the same as the previous page. The main form on the left has a text prompt: 'Enter the Verification Code that was sent to your email.' Below this is a single input field labeled 'Verification Code' and a green 'Submit' button. The same large image of a hand holding a 'COVID-19 VACCINE' vial is on the right.

A verification code will be sent to the email given at the time of registration which will have to be entered in the verification code field and by clicking the submit button verification will be completed.

STEP-3:

Clicking on the “Registration Status” button will open a page like the image below-

The image shows a web application interface for 'Vaccine Registration BD'. At the top, there is a navigation bar with links: Home, Registration, Registration Status, Vaccine card, Vaccine Certificate, and Manual. The main content area features a form with three input fields labeled 'Your NID No', 'Your Email ID', and 'Password'. Below these fields is a prominent green button labeled 'Check'. The background of the page is a light blue gradient with a close-up image of a hand in a blue nitrile glove holding a small glass vial of COVID-19 vaccine. The vial has a green cap and a white label that reads 'COVID-19 VACCINE' with a barcode below it.

Here you have to enter the correct information in the blanks above and click on the “Click” button. If the information matches to the information given at the time of registration, then you will check the registration status.

STEP-4:

Once the registration is completed, the vaccine card can be downloaded going to the vaccine card option.

STEP-5:

After completing two doses of Covid-19 vaccine, the certificate can be collected from the web portal by going to the “Vaccine Certificate” option.
